PRESS RELEASE

3/20/2020

NEWS

Essential Services

Clallam County Fire District 3 (District) is committed to responding to this public health situation (COVID 19) calmly, compassionately and with consistency while continuing to provide essential services to the community. This is a very fluid situation; information is changing quickly. We will do our best to keep you informed and updated as to what is happening locally.

First Responders are responding to calls. If you have a true emergency, call 911. If you need to contact the District directly, you can call (360) 683-4242.

The District is implementing procedures aimed at limiting unnecessary person-to-person contact. If First Responders come to your home or business, please meet them outside, if you are able to, to protect the health and safety of them and yourself.

First Responders may be wearing personnel protective equipment if there is any threat of COVID-19 contamination. Safety of the community is of the utmost importance. This starts with District members and extends to this community, you and your families.

More information can be found at our web site: www.ccf3.org or questions may be directed to Community Risk Reduction Division at (360) 683-4242. Ext. 114
