CERT in Action! CERTs in [City of Sequim Government](#) have been very active in response to the COVID-19 pandemic. They have handed out thousands of flyers including 2-1-1 flyers to help alleviate the strain on the 9-1-1 system. They are assisting at the Emergency Coordination Center; responding to incoming calls; IT support and disinfecting the facility; and helping to collect key needed donations. Thank you all for your service! [#ServeWA](#)
