Fire District 3 and Red Cross partner to install smoke detectors

On Saturday, May 19, 2018, Clallam County Fire District 3 Volunteers partnered with American Red Cross to install free smoke detectors. The event took place at 491 Mill Street in Carlsborg. Red Cross, as part of a nationwide campaign to save lives from smoke and fire, sponsored the event.

Red Cross provided the tools, smoke detectors and education to residents who took advantage of the opportunity. Volunteer Fire District members provided the labor to install the detectors. In total, 19 residents participated and 32 detectors were installed.

Ms. Sue Pechina was the driving force behind this campaign and did a great job of organizing all of the participants, working with the management of the park and advertising the event the week before.

Questions may be directed to the Fire Planning Division at (360) 683-4242. Ext. 114
