Press Release - June 1, 2020

Sequim COVID Relief Food Care Package Distribution Opens

SEQUIM—A Community Point of Distribution (CPOD) for COVID Food Care Packages will open Wednesday, June 3 from 11:00 to 2:00 p.m. as a drive through operation. Drivers are asked to go to the west entrance of the Sequim Middle School parking lot on West Hendrickson Road to queue up to receive a box each of non-perishable food, perishable food, and dairy products. The CPOD will be open each Wednesday through August 19.

The Clallam County Emergency Operation Center asked the Sequim Emergency Coordination Center to set up the CPOD in support of a county-wide COVID Food Care Package program.

The Emergency Coordination Center (ECC) is a combined effort of the City of Sequim, the Sequim School District, and Clallam County Fire District 3. The ECC is working in support of the Clallam County Emergency Operations Center (EOC) under the Clallam County Emergency Management Plan, and is activated to serve the Operational Area from Deer Park Road to the Eastern Clallam County Boundary. Clallam County District 3 also serves the community of Gardiner and areas on the east end of Jefferson County.
